

What is this Capital Campaign about?

We have an old historic building and though we appreciate its character, we realize that our church is not accessible to all. For many years we have had discussions and been frustrated by the lack of access to our programs and activities. We want to be a welcoming church community and as such, we are raising money for an addition to the building that includes an elevator.

This project will allow our church to share God's hospitality and better equip us to fulfill our church's mission of Sharing Christ and Changing Lives' for present and future generations. The addition will provide street

level access and create an attractive, welcoming space. You can view these plans at the church or by contacting the capital campaign team.

Our church's first cornerstone was laid in 1826. In the Spring of 2023, our Congregation felt that it was time to lay a new stone to make our church accessible. We understand that to raise the estimated \$675,000 that is needed, can seem daunting. As our Congregation walks through this pledge season together, we pray that everyone will feel God's love and guidance as we reach for this goal.

Project Highlights

- Street level entrance from Willowdale Rd
- Full accessibility to each floor including to new basement
- Elevator with stops on basement, street, Fellowship Hall & Sanctuary levels
- Two new ADA compliant restrooms; one on each main floor
- New church office space for Pastor and Administrator
- A new rear stairway from top floor to basement
- An attractive back facade facing Hollis Street with small, covered porch
- Improved safety of egress and exiting of the building
- All church functions in one building

How you can Help

This campaign is giving each of us the opportunity to live our faith by making a contribution to the future of our church community. We have the chance to share our blessings and to pay it forward to future generations. Contributions of all sizes will help us to meet our campaign goal of \$675,000. Please be a part of the changes to come and take the time to reflect on what you might contribute.
